

RiverWalk Committee Mtg Minutes
March 4, 2024

Present: Jean Ambrose, Wayne Peaslee, Jason Farris, Todd Lindstrom, Gail & Tete Malcolm, Mark Krawec, Deborah Rice, Sarah Hubert, Sam Snow, Pam & Allan Yankowski

1. Approval of Feb 5 minutes

Approved unanimously with not corrections

2. Parking lot discussion

Sam Snow presented a plan for a 6-10 car parking lot off the Old Cedar Grove Road, on the left (south) side of the RiverWalk Way before the gate. Sam will volunteer his time and equipment. We will need approximately 66 yds of gravel from the town pit. He can put large rocks along the road ditch. He can do this work in May. Todd motioned to do this, Sarah seconded and the vote was unanimous.

We also discussed issues with the road being only 1 vehicle wide, widening the road to the river and making a parking area where the scrap metal was pulled out.

3. Sign update

The sign is at CW Repair and waiting for the "est 2019" to be added to it. The sign will be installed when the parking lot is completed.

4. Newsletter Vol 2

Cheryl Peaslee finished the second newsletter and has mailed out copies. Copies are available at CW Repair.

5. Town Report article

The draft Jean presented was accepted unanimously and will be submitted for inclusion in the 2023 Town Report.

6. Other

The well was discussed. Tete said there is a 4" thick cement cover over the well, which is sufficient for safety purposes. We will put up signage as a warning.

Rick Currie, project manager for MEDEP, believes Phase 2 testing will be done by spring of 2024.

Respectfully,
Sarah Hubert
Jean Ambrose
