The Planning Board thought that Ron Wessling should come in and discuss his business. Mr. Wessling may or may not need Planning Board approval for his transport business. Natalie will call and let him know to attend the April 3 Planning Board meeting at 7:00.

Natalie notified Pat Philbrook (Health Officer) that the Planning Board would like to meet with her about the draft ordinance that was given to them. Natalie put Pat on the agenda for 6:30 pm.

Jim Lothridge passed out a list of businesses in the town of Pittston. He would like to see an ordinance that would be easier for businesses to come to town. Jim feels that there should be a difference between a residential lot and a commercial lot. The Planning Board will look at the current ordinance and see what changes can be made. Natalie made a copy of the site plan review for the members of the Planning Board.
