

Town of Pittston RiverWalk Committee

Minutes April 1st 2024

6:00pm at Town Office

Citizens present; Jean Ambrose, Todd Lindstrom, Tony Garvin, Wayne & Cheryl Peaslee, Tete & Gail Malcolm, Ansel Bryant,

Meeting was called to order by Jean Ambrose.

Approved minutes from March 4th meeting. With one; Change Not to no

- 1) We talked about the select board approving that the RiverWalk is open to foot traffic only and will have a sign made to say "Foot traffic only" Jean will order the sign and the boys will get it up by the signage that is already there.
- 2) The Select Board has approved the creation of a small parking lot up by the Cedar Grove Road. Sam Snow will be volunteering his time and equipment to make this happen. We will be getting together with the Select board in May to finalize this project with the Select Board.
- 3) DEP has given their approval for us to start the scrap metal removal when the weather permits us to do so. The price of metal is down right now and we hope it goes up when we are ready to haul.
- 4) The Pittston RiverWalk sign is all done. Todd and Wayne are making plans to hang it when the parking lot is completed.
- 5) Todd made a motion to "seek Town owned land trust for a 20year period" he would like to see this go to the Town for a vote, and then have it added to the deed of the RiverWalk. Tete 2nd the motion. All were in favor.

Next meeting will be the 1st Monday of May 6th, at 6:00pm.

Adjourn 7:06pm
